Invitation to Participate in **MAPCON 2026**

Dear Colleagues,

It is our great pleasure to welcome you to Nagpur, popularly known as the "Orange City" and the Tiger Capital of India. It is one of the fastest-growing metropolises and the third-largest city in Maharashtra after Mumbai and Pune. Located in the eastern part of the state, Nagpur is also recognized as the geographical center of India, marked by the country's "Zero Mile" stone.

This five-day flagship conference will be held at the IIM Nagpur campus from **December 14–18, 2026**, and is expected to bring together over 1,500 researchers, professionals, and practitioners from across the globe. The conference will serve as a platform to present and discuss cutting-edge advancements in electromagnetics, microwave engineering, antennas, and their applications in space, defence, semiconductors, and 5G/6G technologies.

MAPCON 2026 will offer a dynamic and enriching experience through:

- Inspiring plenary, keynote, and invited talks by globally acclaimed experts.
- Engaging technical sessions featuring high-impact research and contributory papers.
- Hands-on workshops and insightful tutorials on the latest industry trends.
- Expansive industry exhibits across a 20,000+ sq. ft. area showcasing breakthrough technologies and innovations.
- Exclusive industry keynote sessions offering strategic insights and future outlooks.
- Vibrant start-up showcases and exciting student design competitions.
- Dedicated sessions empowering young professionals, Women in Engineering, and Diversity & Inclusion initiatives.
- Travel support initiatives for B.Tech., M.Tech., and Ph.D. students.
- Prestigious AP-S and MTT-S Joint Chapter Chair meetings and SIGHT workshops.

The conference has grown steadily over the years, with successful editions held in Ahmedabad (2023), Hyderabad (2024), and Kochi (2025). In 2026, we anticipate even greater participation, with a projected attendance of over 1,500 delegates.

On behalf of the Executive Committee of MAPCON 2026, we are delighted to invite you to be a valued sponsor. Multiple sponsorship tiers (Signature, Diamond, Platinum, Gold, Silver, and Bronze) and exhibitor opportunities are available to help you showcase your organization to a distinguished global audience.

Join us at MAPCON 2026 in Nagpur for an unparalleled experience in RF, microwave, and antenna innovation.

Conference Venue

IIM Nagpur (Mihan Campus), Maharashtra - India

Indian Institute of Management Nagpur started its journey in the year 2015 under the mentorship of Indian Institute of Management Ahmedabad.

The IIM Nagpur is one of the best campuses and offers world-class convention facilities, featuring state-of-the-art auditoriums and classrooms designed to host large conferences, parallel sessions, and interactive discussions seamlessly. Equipped with advanced IT infrastructure, excellent connectivity, and modern amenities, the venue provides an ideal setting for a high-impact academic and professional gathering.

Host City Nagpur

Nagpur, fondly known as the "Orange City" of India, is a vibrant and rapidly growing metropolis located at the geographical center of the country. Renowned for its rich cultural heritage, excellent connectivity, and modern infrastructure, Nagpur seamlessly blends tradition with progress. The city is home to several notable attractions, including Deekshabhoomi, one of the most important Buddhist pilgrimage sites in the world, the historic Zero Mile Stone, the scenic Futala and Ambazari Lakes, and nearby wildlife destinations such as Pench National Park and Tadoba-Andhari Tiger Reserve. With its welcoming atmosphere, diverse cuisine, and unique blend of culture, nature, and urban development.
