IEEE Microwave Antennas and Propagation Conference (MAPCON) is a joint flagship conference of IEEE Microwave Theory & Technology (MTT) and IEEE Antenna Propagation (AP) societies in India. This mega-annual event of the radio frequency (RF), microwave, and antenna community provides an international platform to researchers, working professionals, academicians, and industries to showcase their state-of-the-art research/technologies with co-workers/peers. MAPCON 2025, the 4th edition of this series, will be held from 14th to 18th December, 2025 at Lulu International Convention Center, Grand Hyatt, Bolgatty, Kochi, Kerala and co-organized by the IEEE MTT-S and AP-S Kerala Chapters. MAPCON 2025 will feature technical sessions, poster sessions, special sessions, keynote/plenary/invited talks, workshops, and tutorials. Focused tracks on Young Professionals, Women in Engineering, SIGHT, Student design contests, Start-Up Initiative, India Semiconductor Mission, and Aerospace & Defence Industry Focus, etc. will add to the technical breadth of the conference. Eminent professionals from international space and defence establishments, National Research Organizations, academia, and industries will deliver expert talks and tutorials and organize special sessions related to recent developments in the domain.

**CALL FOR PAPER**

Authors are invited to submit their original research work in the form of a technical paper (3-4 pages) in the following areas (but not limited to). Detailed instructions on submission can be found on our conference website.

- Track-I : RF & Microwave Components, Circuits and Systems**
- Track-II : Antennas & Propagation**
- Track-III : Electromagnetic Theory, Metamaterials and Metasurfaces**
- Track-IV : THz, Photonics & Quantum Technologies**
- Track-V : 5G/6G Research and Beyond**
- Track-VI : Measurement Techniques**
- Track-VII : Electromagnetics in Biology & Medicine**
- Track VIII : Electromagnetic Environment and Interference**
- Track IX : Wireless Power Transfer and Energy Harvesting**
- Track-X : Emerging Technologies and Applications**

**IMPORTANT DATES**

- Paper Submission Starts : **2<sup>nd</sup> April 2025**
- Paper Submission Ends : **7<sup>th</sup> July 2025**
- Notification of Acceptance : **15<sup>th</sup> September 2025**
- Camera-Ready Paper Submission : **15<sup>th</sup> October 2025**
- Exhibition/Workshop/Tutorial Proposals : **15<sup>th</sup> September 2025**
