## Invitation to Participate in MAPCON 2025!

Dear Esteemed Colleagues,

We are pleased to announce that the IEEE Microwaves, Antennas, and Propagation Conference (MAPCON 2025)—a premier annual event jointly organized by the IEEE Microwave Theory and Technology Society (MTT-S) and the Antennas and Propagation Society (AP-S)—will be held at the Lulu International Convention Centre, Grand Hyatt Bolgatty, Kochi, Kerala, India, from December 14–18, 2025.

This five-day long flagship conference will bring together over 1,500 researchers, professionals, and practitioners from across the globe to present and discuss cutting-edge advancements in electromagnetics, microwave engineering, antennas, and their diverse applications in space, defence, semiconductors, and 5G/6G technologies.

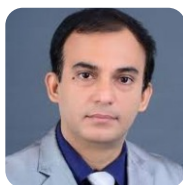

### MAPCON 2025 will offer a bouquet of events including following wide range of technical activities:

- Plenary, keynote, and invited talks by globally renowned experts
- High-quality technical sessions featuring contributory papers
- 10 specialized workshops/ tutorials covering the latest industry trends
- Industry exhibits showcasing emerging technologies and innovations across 20,000+ sq. feet area
- Industry Keynote Session
- Industry talks/promotional activities in exclusive Industry Business Lounge (IBL)
- Start-up sessions with special DPIIT-registered discounts
- Student Design Competitions
- On-cruise special sessions
- Special sessions for young professionals, Women in Engineering, Diversity & Inclusion etc.
- B.Tech., M.Tech., and Ph.D. Travel initiatives
- SIGHT workshop and chapter chair meeting with global representatives

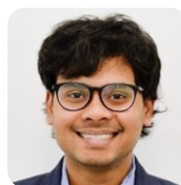

After three grand and glorious shows in Bangalore (2022), Ahmedabad (2023) and Hyderabad (2024) with overwhelming participation from academia, industry including ISRO & DRDO, and various premier academic Institutes across the globe, MAPCON steps into its fourth edition at Kochi, Kerala. We are set to welcome 1500+ delegates from the global RF and Microwave community. We extend a hearty welcome to our branded sponsors and exhibitors worldwide to the showcase and promote their technological innovations & products in exclusive booths and Industry Business Lounge (IBL). The valued addition of "IBL show floor" in MAPCON 2025 will offer round the clock "grab-a-coffee" discussion corners facilitating industry experts for stand up podium sessions and podcasts. On behalf of the executive committee of MAPCON 2025, it is our great pleasure to invite you to be a valued sponsor at the event. MAPCON 2025 offers multiple levels of sponsorship (Signature, diamond, platinum, gold, silver & Bronze) and exhibitor opportunities to promote your organization to this elite technical leaders and audience. To foster innovation MAPCON 2025 is also imparting special discounts to Start-ups registered with DPIIT.

Join us at MAPCON 2025 in Kochi, Kerala, India for an unparalleled experience in RF, Microwave, and Antenna innovation!!
